Terebine Driers

A blended metallic drier which can be added to oil based paints to improve curing time in cold and damp environments. It can be added to oil based varnishes, undercoats, gloss paints etc at a maximum of 5%. Once mixed, leave product for 20 minutes before application.

Product Code:
25ml MI-TEREPIN-250

Acetone

Pure acetone for cleaning and degreasing surface. Can also be used to clean metal

Product Codes:
1L ASOL4-1
2.5L ASOL4-2.5

White Spirit

Top quality White Spirit for cleaning of tools or thinning down petroleum based paints and varnishes.

Product Code:
2L MI-WHS-2

Methylated Spirit

High quality methylated spirit for cleaning and degreasing surfaces.

Product Codes:
500ml MI-M-500
5L MI-M-5L

Raw Linseed Oil

Raw linseed oil penetrates and feeds wood leaving little or no surface coating. It's especially recommended for application to oak, where its slower drying times gives the oil more chance of soaking into the dense fibre structure. Add a small amount of White Spirit to the first coat when applying to bare timber.

Product Code:
500ml MI-BLO-500

Genuine Turpentine

Genuine Turpentine is a natural product distilled from pine trees. It blends beautifully with oil based paints when thinning is required and will clean and protect expensive paint brushes much better than white spirit.

Product Code:
2.5L MI-TURPS-2.5

Marine Finish 2 Pack PU Solvent

High quality solvent for thinning down the Marine Finish 2 Pack Polyurethane Paints and washing of tools.

Product Codes:

1L MF-SOL100
5L MF-SOL100-5

SEAJET Thinners A

For cleaning and thinning down of Seajet Antifoulings, 011 Underwater Primer and Seajet Speed.

Product Codes:

1L SJ-908TR0061-1
5L SJ-908TR0061-5

SEAJET Thinners E

For cleaning and thinning down of Seajet Epoxy Primers 017, 117, 118 and Umeguard SX.

Product Code:

1L SJ-901TE0061-1

SEAJET Thinners P

For cleaning and thinning down of Seajet 132 Polyurethane Gloss and Seajet Polyurethane Gloss Varnish

Product Code:

1L SJ-901TU0707-1

SEAJET Thinners U

For cleaning and thinning down of Seajet Brilliance, Seajet UV Varnish, Seajet Satin Varnish and Seajet Universal Primer

Product Code:

1L SJ-907TM0061-1

JOTUN Thinners No.17

Thinners No.17 is a solvent thinner. Recommended thinner for epoxies and similar paint products. Thinners No 17 is the solvent base for Jotamastic 87. This thinners can also be used with the MegaPrimer, MegaCoat and Anti-Pest Primers

Product Codes:

1L JN-TH17-1
5L JN-TH17-5

JOTUN Thinners No.18

A high quality solvent with a medium rate of evaporation. For improving flow and levelling properties when spraying Megaspeed Undercoat and when spraying Megagloss in average/moderate temperature conditions.

Product Codes:

1L JN-TH18-1
5L JN-TH18-5

JOTUN Thinners No. 19

A high quality solvent with a fast rate of evaporation. Use for improving flow and levelling properties when spraying Megagloss in cold temperatures. May be blended with Thinners No. 18 when spraying in more moderate conditions. Thinners No. 19 is not suitable for brush/roller applications.

Product Codes:

1L JN-TH19-1
5L JN-TH19-5

3M SCOTCH-WELD Citrus Cleaner

This Cleaner Spray is a heavy duty cleaner/degreaser that works effectively on difficult to remove substances such as dried, non-curing adhesives, tape residue, grease, oils and dirt. The cleaner contains citrus oils and will emulsify when flushed with water.

Product Codes:

200ml 3M-CITRUS171
500ml 3M-CITRUS500

3M General Purpose Adhesive Cleaner

A specially blended solvent that provides easy cleanup of most types of adhesives, and quickly removes waxes, greases, oil and tars. When properly used, it will not harm thoroughly dried paint, vinyl or fabric.

Product Code:

1L 3M-8984

3M VHB Cleaner

This cleaner helps to obtain optimum adhesion by thoroughly cleaning the bonding surface.

Product Code:

1L 3M-VHB-SURF-CL-1L

3M Heavy Duty Textured Handwipes

Designed for the removal of soils encountered in the Paintshop and for tougher grime and dirt, offering the same benefits as 3M Professional Handwipes but with the added advantage of a textured side to provide a gentle scrubbing action. Strong and absorbent, they are ideal for the effective removal of harsher bodyshop soils.

Product Code:

Pack of 100

3M-51058 (MOQ4)

3M Professional Handwipes

Pre-impregnated with a specially formulated cleaner, ideal for removing common Bodyshop soils such as oil, wet and dry paint, grease, grime, ink and adhesives. Smooth on both sides, the wipes leave hands clean and moisturised, with an anti-bacterial agent providing long lasting protection in the work environment.

Product Code:

Pack of 150

3M-51059 (MOQ4)

SIKA Cleaning Wipes

Textured wipes for removal of uncured Sikaflex and heavy soiling from skin. No rinse required after use. 100 pre-cut sheets per tub.

Product Code:

Pack of 100

SA-WIPES

AQUASEAL Marine Wipes

Heavy duty, textured wipes which are specially formulated to clean hands, tools and surfaces. They can easily remove engine oil, bilge grime, grease, mildew stains, scuff marks, waterline scum and exhaust stains.

Product Code:

Pack of 75

EVER-MWIPE75

ARBO Cleaner No. 16

Alcohol based cleaner suitable for the cleaning and degreasing of delicate surfaces, such as paints and varnishes, prior to bonding.

Product Code:

1L

AR-16-1

ARBO Cleaner No. 17

Xylene based cleaner for the effective removal of grease and other contaminants on less delicate substrates such as GRP, Gelcoat and concrete.

Product Code:

1L

AR-17-1
