

# Unlimited Colour Selection

## WORLD-CLASS YACHTING FINISHES

The Jotun **Multicolour** tinting system provides an almost unlimited choice of topcoat colours. These are available in the standard yachting range, together with colour matched or custom made colours – all helping you achieve a truly unique paint finish for your yacht.

The **Multicolour** concept was successfully introduced around the world in 1974 and incorporates the most innovative and technologically advanced tinting solutions – providing the widest range of colours combined with unparalleled Jotun quality.

### PRIMER COLOUR SHADE

- WHITE
- GREY

Every care has been taken to ensure these colours are as accurate as possible, however slight deviations can occur due to printing, production methods, pigments and gloss levels. Colour perception can be affected by dry film thickness applied and the choice of primer colour. We recommend that the colour is checked for accuracy before final application. For more details please contact your local Jotun office.

\* This colour is not available in MCI. Ask your local Jotun office for availability and minimum order quantity.
